

A close-up photograph of a brown leather chair back. The leather has a fine, pebbled texture. A vertical seam with double stitching runs down the center, and a horizontal seam with double stitching runs across the bottom. The lighting is soft, highlighting the contours and texture of the leather.

COLLECTION

Isla, an elegant and sophisticated seating and table collection, brings a refined, slim line aesthetic to workplace, hospitality and dining environments.

*Available as an Armed or a
Non-Armed chair, Isla can be
specified on an American Black
Walnut or Oak underframe.*

*A polished aluminium 4-star
swivel base transforms the
Isla chair to suit desking and
meeting scenarios.*

Available in a variety of sizes and materials, the Isla table range features clean and contemporary lines that create a striking silhouette.

Bringing class and sophistication to any interior, the Isla collection can be specified across numerous workplace habitats, such as Home, Collaborate, Formal Meet and Work Café.

The Isla chair can be adapted to suit to any environment, simply by choosing from its different upholstery, arm or base options.

Available in a wide array of fabrics and leathers, with the option to split upholstery allocation for the seat, inside back and/or outside back.

The timber underframe has been designed to marry harmoniously with the upholstery, to create simple, smooth and classic lines.

All wooden elements are crafted from FSC® certified timber.*
