# Orten

Designed by Mark Gabbertas

Our Orten collection is a stylish, efficient seating solution designed and built with the attention to detail we pride ourselves on. Landscape furniture creating intimate areas to eat and meet allows for great design in a destination interior.

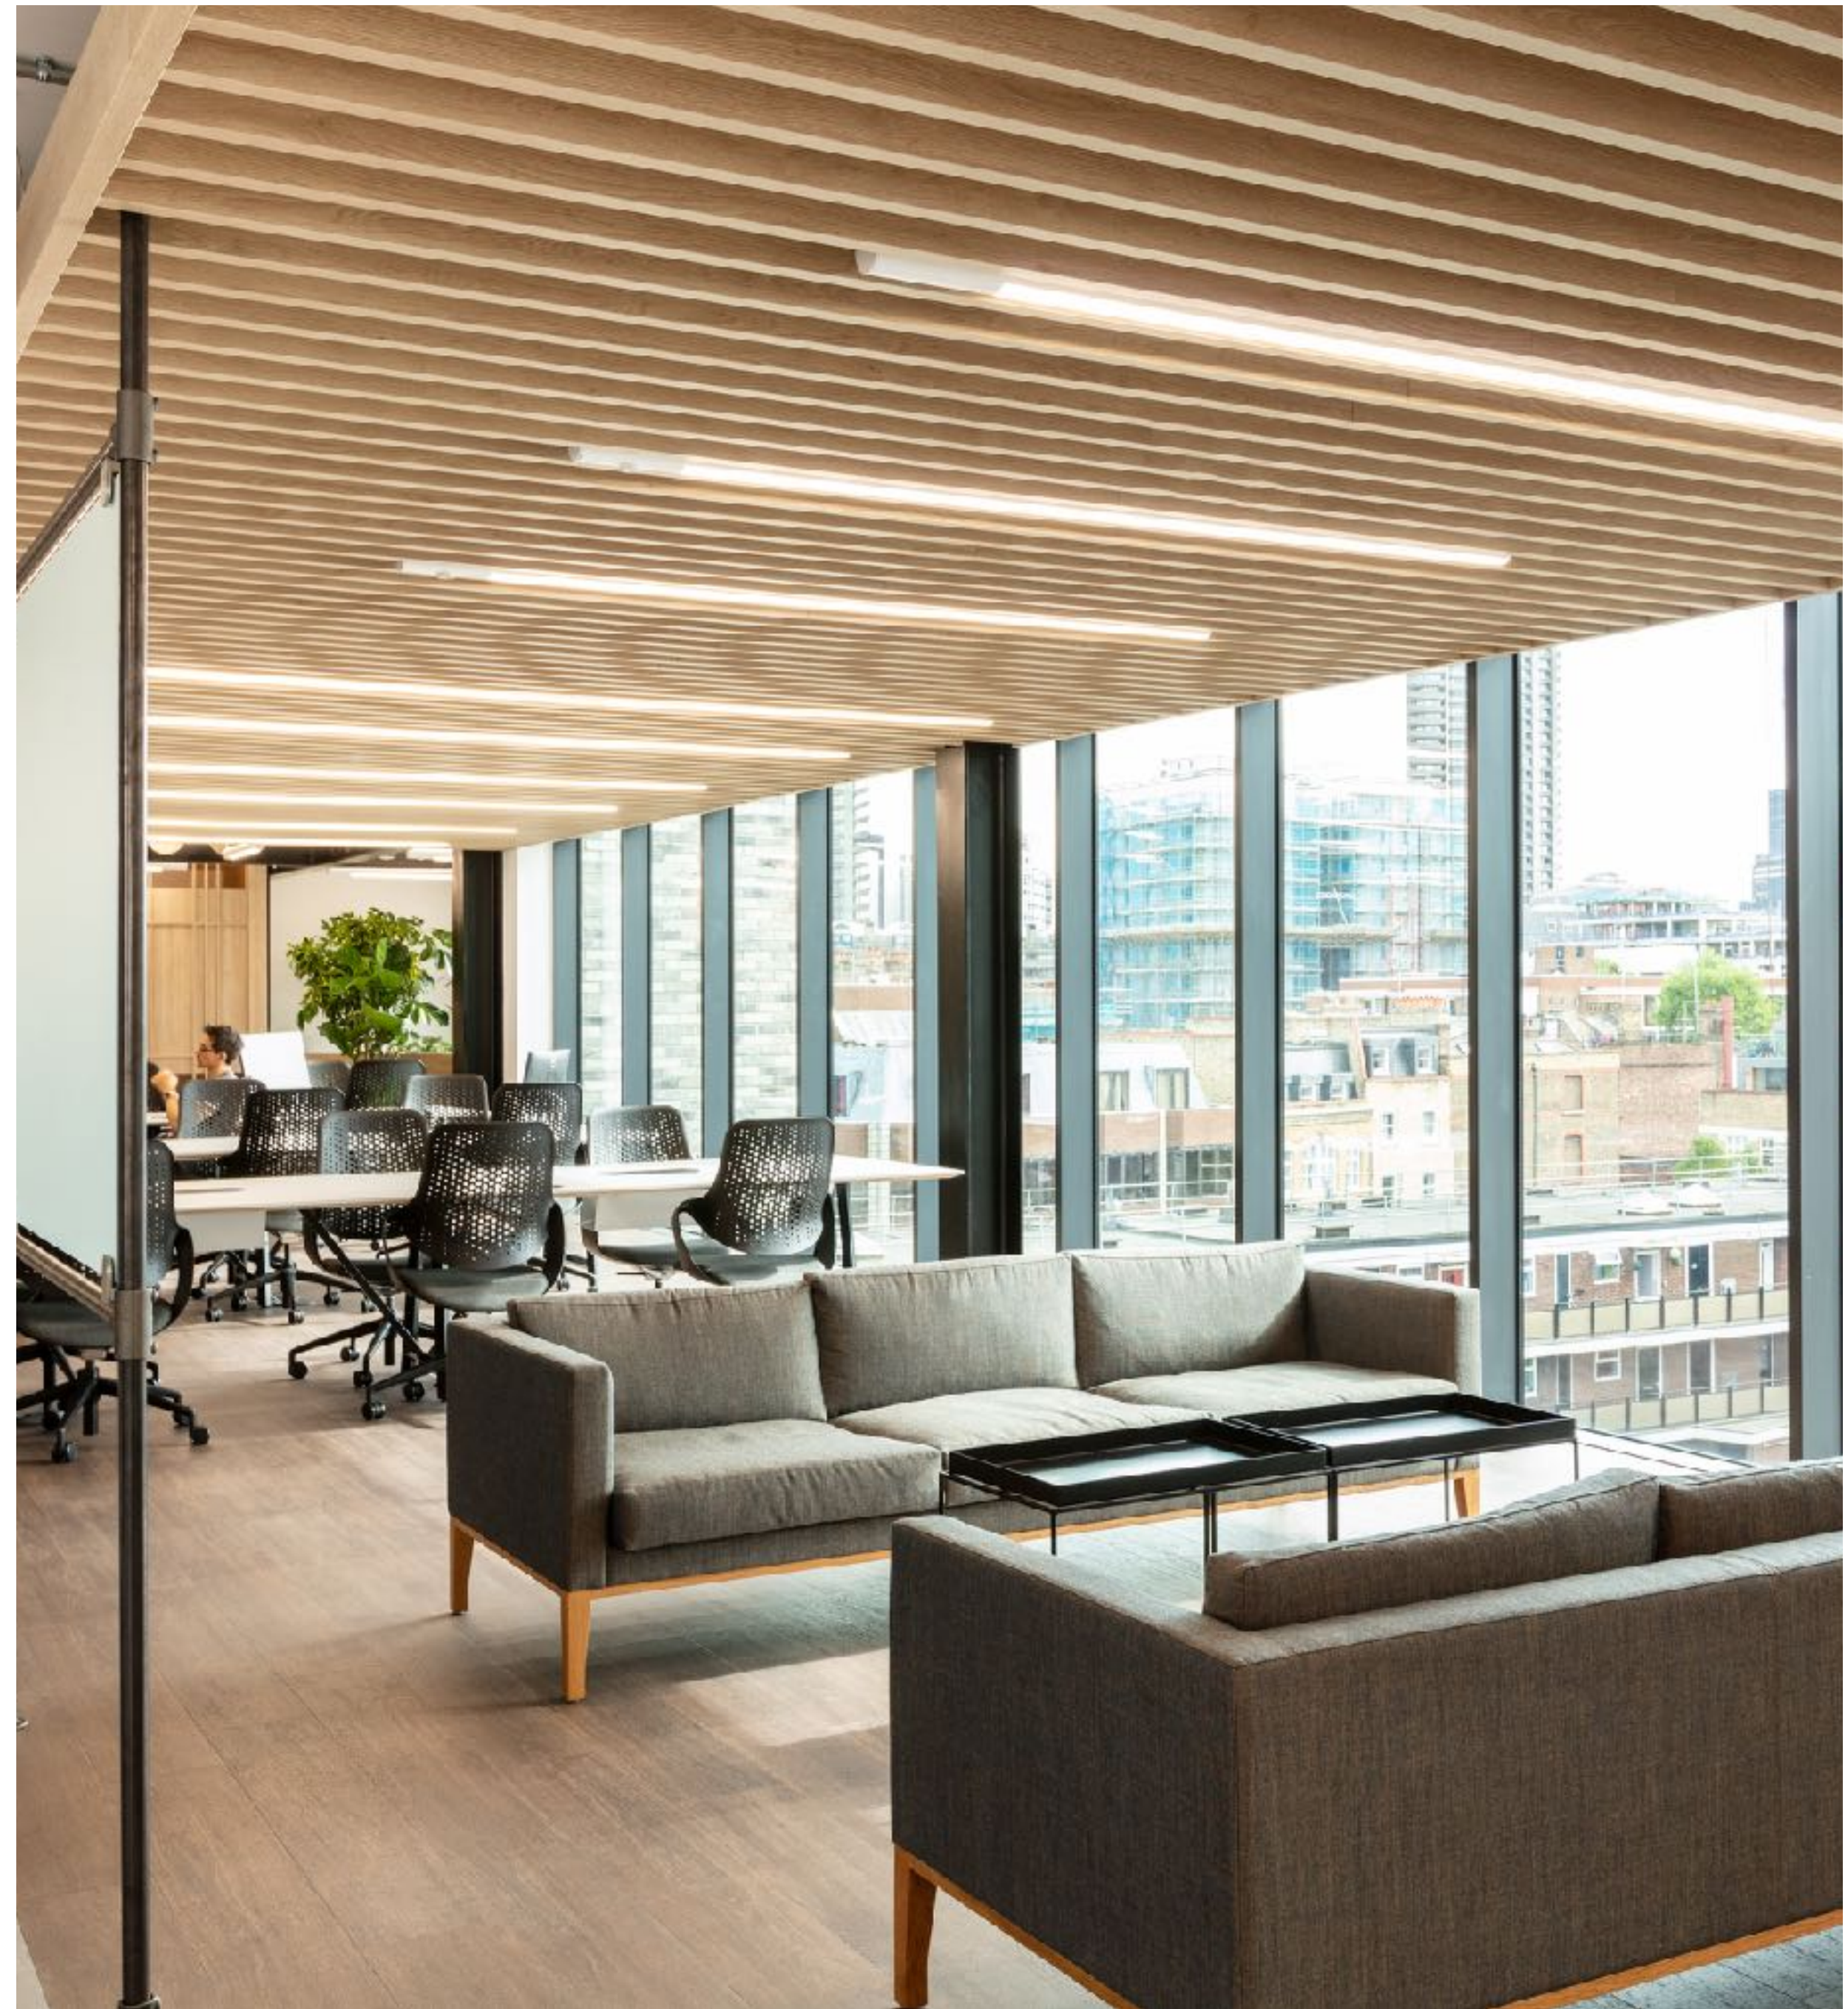

# Orten

## Timber Leg

Realizing the full potential of your space is important to any interior design scheme. We can offer a customizable solution to maximize space and fully utilize floor area, especially when floor space is limited. Orten seating creates intimate spaces to meet and collaborate with a degree of informality.

## Orten H-frame

Orten is a classic sofa system with interchangeable elements. A defining characteristic of Orten's design is the H frame along with the attention to detail and proportions. Included in the collection are sofas - two and three seat, armchairs, modular and corner units, two arm widths, and two frame styles making Orten suitable for a wide range of environments.

# Orten

Wide arm

Ortens our approach to creating collections of versatile, superbly designed and carefully crafted products that allow you to tailor solutions to your own needs.

# Orten Modular

The Orten Modular collection is ideal for a wide variety of interiors, including corporate office receptions, executive meeting areas and hospitality environments. The system includes the classic and elegant two-tiered leg detail and a contemporary H-shaped oak frame..

## Orten Lounge Collection

- Timber underframe available in Oak, American Black Walnut or to a painted finish
- Top stitch detail
- CMHR foam and feather seat and back cushions
- Webbed seat support
- Loose seat cushions, loose back cushions
